

EDIE PACE MEMORIAL TROPHY RACE

2012

Edie Pace, a Salty Sister from 1958 to 2011, remained an active member until her death at age 97. A teak trophy with a crystal sailboat, funded by Fran Weaver-Nohren, was made possible by donations from Charlotte Hoffman (teak trophy) and Shirley Rigo (crystal sailboat). This trophy will remain at the SPYC. Fran also gave ten charms engraved with, "Edie SS 1958-2011" as a keeper charm for the winner of the race.

One pram race, under Salty Sister sailing instructions, will be held each year as close to Edie's birthday, September 23rd, as practical. Fran also funded ten bottles of champagne, one each year to be enjoyed by RC and the competitors upon the completion of the race. A Salty Sister may only win this event once. If there are more racers than prams, then the three-time Chile winners will have preference over the Chile sailors over the Misfits over the Jobin. A Salty who has won may race again if there is a spare pram. If there are more past winners than spare prams, then they will draw for a pram. 720s will be in effect. Second and third place charms may be awarded.
